ST. PAUL LUTHERAN MISSION STATEMENT:

Empowered by the Holy Spirit to make Christ known;

*As we love one another, serve our neighbor, and grow in our Faith
through studying God's Word and Worshiping God*

Life has changed. Many of the changes are temporary, but some of the ways we live our lives during the time of the pandemic will remain changed. If you want to make God laugh, tell him your plans.

When change happens, even temporarily, we grieve our losses. I miss all the people in worship. I miss hearing the children and playing guitar to hear them sing. I miss visiting people in their homes, or at the hospital, or in the office. I miss all the celebrations that we could not celebrate as we normally do: the Lenten services, Palm Sunday, Maundy Thursday, Good Friday, and Easter with the full church, Easter breakfast, and the Easter Egg Hunt. I miss the partaking of Holy Communion. I miss seeing my family.

But then I think, we are still in the Easter Season. Isn't Easter about change? I remember what Jesus and his followers went through during that first Easter and the events leading up to it: he was betrayed, arrested, denied, stood trial several times, beaten, whipped, tortured, condemned, hung on a cross, died, and was buried. The disciples were grief stricken. They were ashamed for the role they played and the loss of control. They were lost and did not know what to do. But then it all changed. Jesus rose from the dead and gave us the promise that we, too, will rise with him. Their grief was forgotten. Their world and their perspective of life changed completely.

Hopefully, you have been able to adjust to the new life changes even if they are temporary. We have the faith that no matter what happens, God still wins the final victory. We are filled with hope. Hope that a vaccine or cure will be developed to eradicate this pandemic. Hope that jobs lost and the economy will come back. Hope that we can have family gatherings again. Hope that we can

open the church up again for worship services. Hope that Christ is in our midst even though we can't be in the midst of each other.

We do have celebrations coming up and maybe we can come back together for them. The Day of Pentecost is on the last Sunday in May when we are reminded of the gift of the Holy Spirit and how the Spirit can work in all circumstances to do marvelous things, and the Celebration of the Holy Trinity is on the first Sunday in June. In the meantime, continue to pray, tune in the worship services on the radio or the website on Sunday mornings, do family devotions, stay connected to others over the phone or social media, find ways to do ministry safely, and look forward to the day when we can all join back together again.

Peace,
Tim W Muehlbrad

In the Old Testament, the Israelites were the weakest nation in all the world. The only way they ever survived was through the power of God. This is not some metaphorical or spiritual advice that I turn into saying "just pray more". I mean God was literally protecting His people as he led them out of Egypt. God was a pillar of smoke by day and a pillar of fire by night. (Exodus 13:21-

22). All you had to do was look up in the sky and there would be God.

Eventually, the Israelites made it to the Promise Land. Joshua took over for Moses as being the leader. Then after Joshua came the Judges. From the Judges came the prophets. Israel would sin, repent, and glorify God in a cycle. In the middle of their sin, God would always warn His people that one day they will not be able to worship in their Holy Temple. The Israelites did not listen, so when we read the book of Daniel we see a nation held in captivity.

It was these years where Israel would not be allowed to worship in their temple. I never knew what that would look or feel like. After all, we live in America. We are allowed to worship whatever, wherever, and whenever we would like. Except now. Now any gatherings over ten people are not allowed. It feels awful. St. Paul Lutheran is nearly empty for the last few Sundays. With everything happening the way it is, it almost feels hopeless.

And that is also what I believe the Israelites thought as well. We know we can worship anywhere we want but it does not feel the same being surrounded by people. Today I write to you telling you to stay in the word of God. Pray ever more fervently. Put your hope in the living God, our Lord Jesus Christ, and be prepared. One day soon, we will all be back at St. Paul Lutheran.

Peace,
Family & Youth Director
Nicholas Requejo

1. Help Families – We have not had any requests for assistance.

4. Share Radio Time with Other Churches – Discussion was held concerning sharing our radio time with some of the other churches that do not have a radio broadcast. Pastor will speak with the other churches to see if there is an interest.

5. Masks – Cathy is working on this. We would like to have some available to distribute to those who need them. We would like to have them individually bagged with instructions.

6. Grocery Pick-up – Nicholas reported he has gone on two grocery runs, and things are going well.

1. Contingency Plan if Pastor/Secretary Get Sick

a. **Pastor** – We have a couple of different options if Pastor is not able to conduct service: We could have Larry go back and replay a recording from years past, or laymen could conduct service.

b. **Secretary** – Katie explained Larry Gohmert is working on setting her up so that she could access her computer remotely. An option for the phones would be to have a TracFone set up for her to use if she had to work from home.

c. **Electronic Giving** – Katie Serrano was present to discuss the idea of electronic giving for offering. She recommends using Vanco Payment Solutions. There would be a \$10 monthly fee for the church, plus a small fee per transaction. She will check more into this, to see if there's a contract or if you are able to stop using their services at any time. We will revisit this topic again next month.

d. **Next Meeting** – We plan on holding the same type of meeting (meet in Fellowship Hall and spread out).

7) **CLOSING** Jay Heil made a motion to adjourn. Kristin Schustereit seconded the motion. The motion carried.

The meeting closed with The Lord's Prayer.

Respectfully submitted,
Kristin Schustereit

Dear Members of St. Paul,

Our VBS Date has been changed to July 20-22, 2020. With the Spread of COVID-19, I feel that for the health and safety of our little ones and volunteers, it is best to push VBS for this year further into the summer.

We will also do a shortened version as we transition back into group gatherings again. This year VBS will be from 10 am-12 pm. Although this year will be a little different, we WILL get back to the full week of VBS next year spreading the word of God.

If you would like to help in any way, please let me know calling (leave a message) or texting Tina Boehm at 361-491-1625. Also if you have questions, or concerns or even suggestions, please feel free to call Tina.

Blessings and prayers during this time,

Tina Boehm and VBS Volunteers

What's happening at The Learning Garden!!

TLG Update:

Since March 16th we have been on an emotional rollercoaster. COVID-19 has taken a toll on us and we wish we knew when things would go back to normal or if that will even happen. Since this has all started, we have had a decrease in enrollment and miss those children that are not attending currently. We are trying to keep our routines so that those that are attending have some normalcy. Mrs. Donna, Mrs. Fay, and Mrs. Janice are staying home currently to stay healthy. Mrs. Donna sends us her lessons so that the teachers can continue to provide learning structure for the Prekindergarten class. We love The Learning Garden and we will keep doing everything we can to stay healthy, keep those here safe, and teach like we always have. I continue to monitor emails daily to keep up with changes and/or policy updates. If you have any questions, please let me know.

God Bless,
Tracie Fielding, Director
The Learning Garden Board

Trainings & Conferences:

- All have been canceled or postponed at this time. We are working on everything online.
