ST. PAUL LUTHERAN MISSION STATEMENT:

Empowered by the Holy Spirit to make Christ known; As we love one another, serve our neighbor, and grow in our Faith through studying God's Word and Worshiping God.

What's black & white, and red (read) all over? A newspaper?! A skunk with diaper rash?! How about the Bible?

Several years ago I attended a retreat at Camp Chrysalis for a day of Bible Study, Worship and quiet time which was led by former bishop Art Rode. In our Bible Study we looked at the themes in St. Paul's Letter to the Ephesians.

At the retreat Bishop Rode stressed the importance of taking time for personal study and reflection. He said that, throughout his years in professional ministry when he spent less time in personal study, the quality of his work was lacking; he had less enthusiasm for his sermons, and his teaching was not up to par. When he took time for personal study, the joy of the Gospel came through his work, even in his administrative tasks.

This is good insight for all of us, not only for ordained clergy, but for all the faithful members as well. We are encouraged to take time from our busy schedules to read and study. We were reminded at the retreat that when Martin Luther's schedule was the busiest, he didn't cut back his study time but increased it to help him accomplish his work.

Personally, I enjoy reading in the evening before I go to bed. After a day of projects, work, visits, deadlines, stress (good and bad), sharing in joys and griefs, preaching, teaching, office work, meetings, and being on the road, reading the Bible helps me to unwind and put things into perspective. It opens my eyes, informs me, guides me, and puts me at rest so that I can have a good night's sleep.

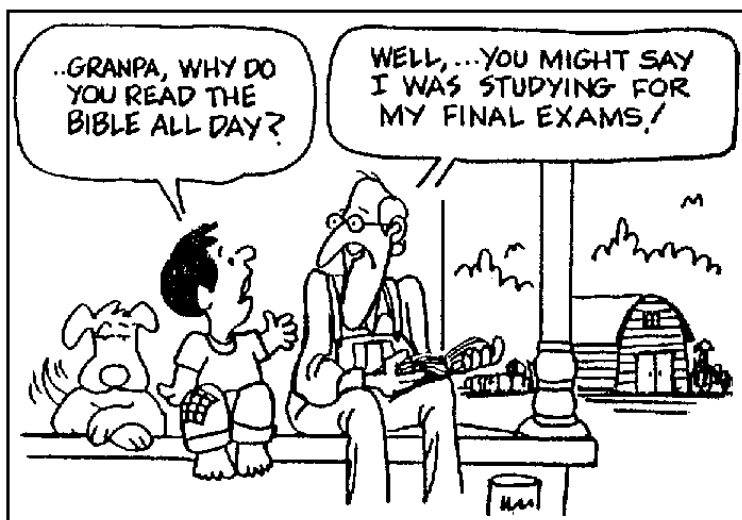

I think much of the turmoil in personal lives and in the world is because people do not know the whole of scripture. They remember what they learned in Sunday School as a child and maybe some of Confirmation classes, but that is where knowledge and understanding for them stop. They never again pick up a Bible. As a result, they are led down one path or another without being

informed with God's word or gaining a clear understanding of it. Being faithful to the Word is a lifelong and on-going event.

Read the Bible diligently. Reflect on a chapter or a passage, or even one verse or one word each day to guide in the daily thoughts and actions. Devotional books, "Portals of Prayer" are provided in the entranceway of the Sanctuary and Educational Building to assist in this undertaking. Hopefully soon, we will find that the Bible is read all over.

Peace,

Pastor Tim W Muehlbrad

Thank You....

To all the youth and adults who showed off their wonderful bible knowledge and skills in decorating the 20 pumpkins for the Pumpkin Decorating Contest! Thank you goes to all who voted (I didn't envy your position as they were all deserving)!

The Best Laid Plans...

We had planned on having a Movie Night on Sunday evening Nov. 12th. However, the Community Thanksgiving Meal has been set for that date so we are postponing our Movie Night until the Spring. Look for it then maybe as part of our 2nd Church Picnic and Battle of the Ages.

The Continental Youth Gathering of the NALC

This is the first National Gathering of youth sponsored by the North American Lutheran Church. During the days of July 1st to 4th, 500 youth ages 12-18 (12 yrs by the end of June), and adult sponsors, will gather in Boerne TX for fun, worship, study, and service. These events are always special. Those attending will be a part of something unique as it is the very first of its kind.

Part of this event that makes it different is the chance to meet youth from across the country and other locales who share your faith. It, also, allows those attending the opportunity to get to know each other even better as they operate within the larger gathering as a group.

The first step is to let Terry or the church office know you are interested in going. We need to find enough sponsors (1 per 7 youth) and they have some training and steps they must fulfill. Then we can get parents the registration information so they can continue the process. Most of this will be done online.

We need to move quickly as there are only 500 spots and registration is now open. All steps and funds must be done by March 15th but we would like that to be done sooner.

Please let us know **by Sunday Nov. 26th** if your youth wishes to attend so we know how many sponsors are needed. There will be sign-up sheets available as well in the basement, church, and by the office.

The church will be helping with the registration fees but we will need to do some quick fundraising for the hotel and other costs and maybe help with the registration, also.

One question has been about it ending on July 4th. I have seen that question asked to the organizers and the response was it will end the morning of the 4th so that everyone should be able to be free to celebrate that evening.

This is a very special event and can be great fun but time is of the essence here so please let us know by 11/26!

If you would be willing to be one of the adult sponsors for a group of the 7 youth please let Terry know. There are some special needs we have to have done to get you registered as a sponsor. We feel confident we will need at least one female sponsor if not more for our group.

P.S. I know youth have athletic groups, band camps, etc. not planned yet but my response is to register the youth now and we can see about refunds etc. for this event later as there may not be an opportunity to add someone. Friends are welcome as well.

So the details:

NALC Continental Youth Gathering

July 1-4, 2024 in Boerne TX.

Youth ages 12-18 (Turned 12 in June or earlier)

GET YOUR NAME IN BY NOV. 26TH to the Office, on a sign-up sheet or to Terry!

Thanksgiving

Save the dates for the upcoming Christian Life activities:

- **October 29, 2023** – Pot Luck Lunch; reception to honor our new members, Baptisms, Confirmands and Pastor Tim.
- **November 12, 2023** – Thank Offering meal to be held after the Thank Offering Service. The congregation is asked to bring deserts.
- **December 10, 2023** – Christmas Feast to be held after the Sunday School Christmas program.

Offering Envelopes

It's that time of the year when the offering envelopes will be going out soon. If you prefer not to have envelopes assigned to you, please let the church office know. We still have the e-giving option that you can utilize. Let's help cut down on excess expenses!

As we are waiting on the parts to fix the elevator, we are changing the location of our Saturday services, temporarily. If you are in need of the elevator, we are asking you to consider going to Saturday service in the chapel. All Sunday services will still be in the Sanctuary, without the use of the elevator. We need to replace the control panel in the elevator, but due to shortages, there is a wait. It could take months for the parts to come in. There is a 50/50 chance that the elevator will work, or you could get stuck in it. We are trying to keep the congregation's safety in mind during this waiting period. It is a temporary arrangement, until the elevator is 100% fully functional. Thank you for your patience in this matter.

Church
Camp
Fundraiser

It's that time of year again CAMP

FUNDRAISER TIME!! Last year we had the most kid's ever join us for camp and we could not have done that without your help. This year we would like to have even more kids join us at camp. Starting in November we will have the "MONEY WALL" back up at the back of the church. Envelopes will be numbered 1-100.

You can pick any envelope and pay that amount and throw it in the offering plate. Or if

you would like to sponsor a child for camp or make a donation of your choice, we will have envelopes for them available also. One big difference this year is that we will be inviting the Oromo church kids to join us at camp. Since they are not as well off as our church, we would like to pay for them to go with us 100%. We will have a signup sheet open soon if your child is in 3rd grade or older and would like to join us you can sign them up. Camp is a spiritual experience for our kids that they love. Please help us make it happen again this year!!! I would be happy to answer any questions you might have.

Thanks,
Kimberly Gaus
